- 
- The caretaker sets up the church, cleans up afterwards and generally assists with the use of the building during the wedding. If the celebrant is not from Oaktree Anglican Church, the caretaker will also need to attend the rehearsal and the fee will be \$120 instead of \$100.
  - If the wedding is on Monday – Thursday there is an additional \$30 charge for the caretaker, as additional cleaning will be needed.
  - Skilled florists provide the church flower arrangements from the St Mary's Flower Guild. For special requests regarding colours or types of flowers, or if additional flowers are required, please contact the Office for our florist's details.
  - Please advise well in advance if the organ is required.
