

Junior Primary

I hope your children enjoyed our launch of Kids Church Online, here are two discussion questions to help facilitate conversations around what your children heard and watched on today's episode. This week is the celebration of Pentecost found in Acts 2.

There are no right or wrong answers to these questions, they are to assist you and your children to keep the conversation of what happens on Sunday going throughout the week. There is also no formality to how you discuss these questions, it could be sitting down at a table, going for a walk or washing the dishes together.

Blessings Jess.

Discussion Questions

1. Explore with your children how they would have felt if they were one of the people who witnessed what happened on Pentecost.
Hearing a loud wind, tongues of fire and people talking in different languages. As well as hearing Peter's message about all the amazing things Jesus has done.
2. What do people need to do to be given the gift of the Holy Spirit? How does the Holy Spirit make you feel, or what does it help you do?

All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.

- Acts 2:4
