

JUNIOR PRIMARY

Welcome back to Kids Church Online. I hope that you and your children enjoyed the school holidays and were able to have some time to relax and recharge. We are continuing to make our way through the book of Acts, witnessing God's power in growing the early church.

This week we turn to Acts 8:1-25 where the church in Jerusalem is scattered as a result of persecution, and Philip's journey to the town of Samaria. Nothing can stop God's word being spread, even when it seems that everything is against it.

Discussion Questions

1. What made the Christians in Jerusalem go out to other cities and towns?
2. When you might be feeling scared, sad or lonely what is something you can do that reminds you that God is always with you?

At that time the church in Jerusalem suffered terribly. All of the Lord's followers, except the Apostles, were scattered.
