This week on Kids Church Online we are learning of Saul's conversion to Paul. I hope you and your families are all going well and that you all are persisting through remote learning. How can we as a church be assisting your family? Please let me know any prayer points, where you would like spiritual direction/ resources for children and other ways we can help.

Exciting news, we are also trialling a **Kahoot Quiz** this week about Acts 9. This is a great interactive way for children to process what they have watched, as well as engaging with their church friends as they compete on the quiz. It's super easy to take part, all you need to do is go to **Kahoot.it** and enter in this
